QUALITY ASSURANCE 2022/2023

SUBJECT: NON GMO/NON IONIZATION CERTIFICATE

Dear Sirs and Madams,

We hereby certify, that the organic hops that we market, comes from raw materials not derived from genetically modified and non-ionized organisms. Our products are in accordance with regulations CE 834/2007 and CE 889/2008 as well as regulations CE 1829/2003 and CE 1830/2003.

Our raw materials come from organic farming and the specifications, on which the supplies agree, exclude genetically modified organisms or ionization.

To assert what of right,

We ask you to accept, Madam, Sir, our sincere greetings.

Rolands Rajeckis

Chairman of the Board
