Description

Wit Beer based on the iconic Belgian Hoegaarden. It is a white cloudy beer, traditionally considered to be a summer drink. It leaves you a playfully sour and prolonged aftertaste. This beer is a bit bitter, with a ripe taste, and served in a cool glass. Usually, it is consumed as an aperitif with a slice of orange on it.

Service:

Temperature: 2-6°C

BREWER`S TIP

For better wort filtration, add 2-4% of rice hulls to the mash.
