Egenskaber

Belgian organic specialty malt of Munich type. Kilned up to 100-105°C.

Karakteristika

Rich, golden malt. Provides a modest colour increase toward a nice, golden-orange colour. Adds a pronounced grainy malty flavour to many organic beer styles without affecting the foam stability and body. Is also used in small quantities in combination with Château Pilsen Nature 2RS to produce light colour organic beers, improving the malty flavour and giving the beer a richer colour. Enhances the taste of character beers.

Usage

Organic pale ale, amber, brown, strong and dark beers, bocks. Up to 60% of the mix.

Opbevaring & Holdbarhed

Malt should be stored in a clean, cool (< 22 °C) and dry (< 35 RH %) area. If these conditions are observed, we recommend to use all whole kernel products within 24 months from the date of manufacture and all milled products within 3 months.

Pakning

Bulk; Bulk in Liner Bag in Container; Bags (25kg, 50kg); Big Bags (400 - 1,400kg). All types of packaging – in 20' or 40' containers for export.
