

Belgian Malts that Make Your Beer So Special

CASCADE

BREWING QUALITY

This German Cascade comes from the Hallertau region. Due to its pronounced fruity and citrus-like aromas, Cascade has gained a reputation for being the "quintessential" variety for dry hopping. In-house brewing trials have shown that Hallertau Cascade hops are equal in quality to US Cascade hops.

ORIGIN / HISTORY

German origins. German Cascade is similar in flavor and aroma to the US version. This hop displays quite exceptional levels of citrus moving more toward grapefruit characteristics with a less intense bitterness.
